### PRESIDENT REPORT

It is with great honour and pleasure to be writing my first report and I would like to take this opportunity to say thank you all for entrusting me to the position of president. I have been empowered by each and every member of our group, a group that is talented, enthusiastic and hard working and who have a common goal of helping other women who aren't as fortunate as ourselves.

This month I have been busy with the fashion parade, visiting the two fashion houses who have offered to help us with our fundraiser, I must say they are both excited about the event. Over the next three weeks we will be focusing on selling tickets.

Toni and I have visited centre management at the Woolies complex in Berri and have set dates for the sausage sizzles for our next fundraising events. This will be discussed at the next meeting.

Through the week I met with a lovely group of women on behalf of Zonta as they were interested in what our group was about and to see if they could help out in any way as they do volunteering. Some of the ladies were interested in helping in making the breast cushions and perhaps they might help with the fashion parade in some way. I gave them my phone number to call if they wanted to help in some way.

I will not be able to attend the next meeting as I will be in Adelaide for a

couple of days attending another training session for my business so I will see you at the fashion parade, if you have any questions or need to discuss anything with me please don't hesitate to call, email or visit me at work any time.
