PRESIDENT REPORT

The year is just flying by, here we are at the end of June already. We have packed so much into the first half of this year and I am wonder what exciting things will happen in the next 6 months. We have just held our fashion parade which all come together beautifully on the day with over a hundred people enjoying the fashion and high tea. A huge thanks must go to the two fashion houses Ellie's Glamour and Dimples Boutique who put on the great display of fashion for us to enjoy. The models must also be thanked for giving up their time on the day also. As usual the Zonation's put on an amazing high tea and the kitchen was buzzing for a few hours. The day wouldn't have been complete without our MC for the day, Kym

Radloff who did a fantastic job keeping us all amused and I am sure

the models loved his comments throughout the parade. Our next big event is our 30th birthday celebrations which is to be held next Tuesday the 7th of July. The committee have been very busy with the preparations and I am very excited with the plans they have in place. I am sure there will be more to tell in next month's newsletter.
