PRESIDENT REPORT

This month started with my first attendance to a presidents meeting in Adelaide. A big thanks goes to Toni Beviss who attended with me which made the trip so much easier. We met some amazing women who made us feel very welcome and it was amazing the wealth of knowledge and support that we have in Zonta. Most of the discussion was on the District conference and it is good to see that everything is well organised and running smoothly so far with each club having a part to play. Last weekend I attended another meeting in Adelaide for the face book workshop, I learnt a lot of new tips and ways of protecting my face book page, this was held by Nan Berrett then the afternoon session was for presidents where a few of us got together for further support and sharing of knowledge.
