### **PRESIDENT REPORT**

At the November meeting we were privileged to hear from Annabel Collins who is a student from Loxton High school and she delighted us with her experience attending Gallipoli, she was one of a number of students who were lucky enough to be selected around the State to attend.

I represented Zonta on Remembrance day in Berri this month and our new wreath looks lovely. It is such an important day and great to see so many people attend to remember those who put their lives on the line to enable us to live freely in this wonderful country.

A big thanks to Helen for organising the Lamington/Pie/cookie drive by all accounts they tasted delicious, they didn't

last long in my house hold and I will be ordering more next year, thank you to

everyone who made the big effort to sell them.

Due to time restrictions we have to postpone the membership drive in

February but in 2016 as a club we need to really start spreading the word about Zonta and have enrolling conversations with friends about the benefits of becoming involved with Zonta.

Friday we had our third BBQ so a huge thanks must go to Bob & Lorraine Charity and Elma Mason who worked on our stall from 11am to 1.30pm. Another big thank you must go to Toni Bevis who gave up her lunch break to help out too. It was a pretty quiet day in the centre yesterday which didn't help our cause and we were also competing with Make a wish with their BBQ outside cheap as chips at the same time. But having said that we still made a profit of \$110.85.
